**STUDENT PHOTO RELEASE:**

During the school year special events and class activities at the CMI High are illustrated in the local newspapers and magazines.

The CMI Religious School requires parental permission in order to use photos that include your child with any school publicity or classroom activities.

- Yes, I give Congregation Mishkan Israel Religious School permission to use photos of class or activity/special events that include my child for publication or curriculum purposes during the 2015-2016 school year.
- No, I would not like to participate at this time.

I have reviewed this registration application and certify that all information is complete and valid.
